

# Release for Photo Printing

We would like to include some photos of the children from special events that occur at preschool in promotional tools for Treehouse Preschool. To do this, a parent must sign a release giving us permission to publish your child's photograph.

I, \_\_\_\_\_, **give permission** for Treehouse Preschool to use pictures of my child, \_\_\_\_\_ in material to promote the school and its activities.

I, \_\_\_\_\_, **DO NOT** give permission for Treehouse Preschool to use pictures of my child, \_\_\_\_\_ in material to promote the school and its activities.

# Communication

We are very intentional in sending information out as many different ways- calling, notes home, emails, texts, and Facebook. To send you emails and texts, we need some information from you. Texting will **NOT** be our regular means of communication, but we will send reminders of early dismissal, snow days, and emergencies. We can put information for parents, grandparents, caregivers- whoever you would like to list. If you **DO NOT** want texts sent, please **DO NOT** fill out cell phone carrier, but list the phone number for emergencies. Please know that when we send out mass emails and texts, everyone on this list will receive the information.
